

## Sample IT Due Diligence

**Don't let a future audit tell you what you should have done! VIE specializes in helping companies through investment, merger or acquisition decisions by performing a thorough analysis of the state of the company's Information Technology assets.**

Some examples of VIE's IT Due Diligence work include:

<b>Client – World Leading Venture Capital Company</b>	<b>Investment Target – Medical Equipment Manufacturer</b>
<b>Findings:</b> <ul style="list-style-type: none"><li>• Severe limitations with order management and supply chain applications</li><li>• Limited capabilities within all IT applications to scale to a global reach and support multiple currencies</li></ul>	
<b>Results:</b> <ul style="list-style-type: none"><li>• Venture Capital company devalued their investment by over \$1MM with same equity stake</li></ul>	
<b>Client – Private Equity Firm</b>	<b>Investment Target – Global Medical Supplies Manufacturer</b>
<b>Findings:</b> <ul style="list-style-type: none"><li>• Significant integration issues between computer applications thereby impacting productivity and severely limiting cost effective growth</li><li>• Lack of a robust IT infrastructure capable of supporting the expected growth of the organization</li></ul>	
<b>Results:</b> <ul style="list-style-type: none"><li>• Private Equity firm cancelled their investment plans with the organization</li></ul>	
<b>Client – Private Equity Firm</b>	<b>Acquisition Target – Printing and Graphics Company</b>
<b>Findings:</b> <ul style="list-style-type: none"><li>• No critical issues</li><li>• Data backup and vendor management practices were weak. Recommended addressing these issues post transaction</li></ul>	
<b>Results:</b> <ul style="list-style-type: none"><li>• Private Equity firm acquired the firm and installed their senior management to build a new platform of companies in the printing and graphics space.</li></ul>	
<b>Client – Private Equity Firm</b>	<b>Investment Target – Professional Services Firm</b>
<b>Findings:</b> <ul style="list-style-type: none"><li>• No critical issues</li><li>• Minor issues included information security levels and network connectivity problems</li></ul>	
<b>Results:</b> <ul style="list-style-type: none"><li>• Private Equity firm invested in the target and acquired a controlling interest with a plan for addressing business and IT issues</li></ul>
